Which Smokin-It® model is right for you?

Below are the descriptions from our website placed side by side so you can review the benefits, sizes and operating styles of all the smokers we carry. When choosing your smoker, you need to consider the following:

- Do I want to be able to take it camping?
- Will I be using it for entertaining?
- Do I want the smoker deep enough to hold a full slab of ribs?
- How big of a turkey, brisket or pork butt do I want to be able to smoke?
- Is this for a restaurant or a food truck?
- Do I want to smoke multiple food items at one time?
- Do I want to smoke jerky?
- Do I want a cart/cabinet for even better ease of use?
- What additional accessories do I need?

These are just a few of the question we get, there are many more with great answers on our customer forum or FAQ Visit our website for more info: www.smokin-it.com
